The Winnebago Reformed Church will help with projects that we feel we can handle with the resources that become available. We offer no guarantee or warranty, and cannot promise that the people who provide such help are trained, experienced, licensed, or in any way pre-qualified to perform the tasks they attempt. While we will try to accomplish each task in a satisfactory way, it is possible that a task may not be finished in a timely manner because of weather, material shortage, or because the volunteer(s) ran out of time during their stay in Winnebago.
